

## **September 2007 Update**

The Department filed a Notice of Final Rulemaking with the Governor's Regulatory Review Council (GRRC) on September 12, 2007, which will be considered by GRRC at its meeting on October 2, 2007. The Department did not make any substantive changes in the rules between the Notice of Proposed Rulemaking and the Notice of Final Rulemaking. If the Notice of Final Rulemaking is approved by GRRC and filed with the Office of the Secretary of State on October 2, 2007, the amended rules will become effective on December 1, 2007.
